

The Texas Schoolbook Depository  
Alleged site of the assassination of  
President John Fitzgerald Kennedy  
Dallas, Texas

Dear Harold -

I was in Dallas on  
a business trip last  
week and visited the  
Kennedy museum at  
the Depository. It's a  
very balanced report on  
his life and death - and your books are  
shown in one video of the critics of  
the Warren Commission. Hope to see you soon.
